CHRISTMAS FESTIVAL OF MUSIC DEC 18TH

At 8 pm next Monday, in the Herbert C. Barrows Auditorium of the High School, the Wilmington High School will present a, 'Christmas Festival of Music.'

Wilmington's 80 piece High School Band, the Adult Choral Group of the Evening School, the High School Chorus, and a Tableau of the Nativity will be in the program.

The program will be under the Music Department of the Wilmington Public Schools, and the widely diversified selections range from Ancient Plain Song to the Contemporary.

It will be the initial performance of the Adult Choral Group, which originated through the Adult Evening Education Classes.

Admission is free, and the public is most cordially invited to attend.

BILL FILED TO REBUILD NICHOLS STREET BRIDGE

One of the four bills filed by Representative Frank Tanner for the Town of Wilmington is asking that the State rebuild the bridge over the Boston & Maine Railroad, at Nichols St.

Tanner filed the bill on Dec. 5th., at the request of the Wilmington Board of Selectmen. The Selectmen have decided to ask for a bridge, rather than, as previously proposed, to cut through on a grade crossing.

The bridge, narrow, with a turn in the road on each side, has been the subject of much discussion in past years.

School buses now use the bridge, but for many years the school children of the Fairmeadow Road area were forced to walk to Shawsheen Avenue to board a school bus. The change was made this year, when the present contractor, Trombley Transportation Company, of No. Andover, discovered that, contrary to popular belief there never had been a Department of Public Utilities ban on school buses using the bridge.

Wilmington Plan Bill

A second bill, filed by Rep. Tanner, calls for abatement of the first $500 in Fallout Shelters, as originally proposed by the Selectmen of Wilmington in response to a Town Crier editorial.

Change in Sewer Charges

Tanner also filed a bill at the request of Wilmington officials, asking that certain

THE FIRST CIVIC SERVICE AWARDS
Honored by the Baldwin Civic Association, last Friday, for service to the community, were Mrs Esther Nichols, the late Herbert C. Barrows and Philip Buzzell. The photograph, taken after the dinner, shows, left, Chairman Frank McLean, Mrs. Nichols, Mrs Woolaver (who received her father's award) and Mr. Buzzell.

THERE'S STILL TIME TO GIVE

$1800 RAISED FOR OPERATION WASHINGTON

Operation Washington D.C. received a tremendous boost, last Friday night, when school children on a door to door canvas collected the sum of $1154.

Other contributions which have been rolling inhave raised the total sum to date to $1800 with amny of the local business firms still to be heard from.

Chairman Anthony De Luca and Scotty Laganas are confident that a considerable amount of money is still to be received.

It is tentatively planned that the trip will start on Dec. 26th., by bus, and that the football team and friends will return home four days later, before the New Year's rush of traffic.

Contributions can be sent to either Mr. De Luca, Federal Street, No. Wilmington, or to Scotty Laganas, at Scotty's Restaurant in the Wilmington Plaza.

Among the checks received are a $100 one from the Wilmington Lions Club, and one from the management of the Little League for $25.

Checks should be made out to Operation Washington D.C.

NATIONAL EDITORIAL ASSOCIATION 1961 SUSTAINING MEMBER

WINNER OF 5 STATE & REGIONAL AWARDS

THE BALDWIN CIVIC AWARDS

The Baldwin Civic Association is to be congratulated for its recognition of the leadership and services of Wilmington citizens. The three who were honored in the dinner last Friday were most certainly deserving of the tribute given them.

We were frankly surprised at the success of the affair. We attended, but we admit our fingers were crossed as we entered the Avco portals. It was a well run dinner, and a goodly representative crowd of people were there.

There were of course a couple of petty gripes. We even had one ourself.

Selectman Black, and rightly we think, felt that the Chairman of the Board of Selectmen should have been among those at the head table. Mr. Black pointed out Monday, at the Selectmens meeting, that the Chairman is analogous to the Mayor of a city.

But let's not blame the Baldwin Club too severely. It was the first time such an affair was ever attempted, and as we said earlier, it went off better than we anticipated. It is easy too easy, to overlook some details.

Another town official was reported to have been miffed because town officials as such were not recognized.

That's one we cannot go along with. If the chairman of the dinner had recognized every town official or other person of prominence at that dinner the diners would have been popping up and down like Jacks in the Box, and perhaps the dinner would still be going on.

The Town Crier didn't attempt to record the talks by the recipients, but it can comment.

Mr. Buzzell, for instance, told a story about two Vermont Democrats having the State Democratic convention. It was well done, and no one in Wilmington could have more right to tell such a story, for his father was Wilmington's only Democrat for years, and came, we believe, from Vermont.

Philip is one of the few people from Wilmington who ever attended Yale University, along with his High School classmate Edwin Buck and there was a reason, which might be appropriately told at this time.

It seems the two boys, back about 1910, had planned to go to Dartmouth, but there was a charge, prepaid, of 25¢ for a Dartmouth catalogue, and the Yale catalogue was free.

So they got a Yale catalogue, and attended that school, both, we might add, with high scholastic attainments.

Mrs Nichols told of her adventures in the 1921 Ford which she used, as a combination Public Health and School Nurse, and as usual she was an excellent speaker. We can recall that Ford clearly, and we would say that Esther was just a little too modest.

One little lady who was present cannot pass without mention - Miss Alice Doucette, of Ballardvale Street.

In her own way we consider this lady to be one of the heroines of Wilmington, for in the 1918 influenza epidemic it was she who worked for 13 days without stopping, nursing the stricken families of Wilmington.

The late Dr. Buzzell said later that he suspected she wasn't in bed for one minute of those 13 days. We take off our hat to the lady

Anyway the whole dinner, and the awards given, were in the highest order of recognition of service to humanity, and we hope that the Baldwin Civic Association keeps up the good work, with more annual awards such as these.

HOW COME ON DICKY ALLARD?

One of the questions we have been asked by several people is to the effect of How Come The Town Crier didn't give more credit to Dicky Allard, in the football games, this fall?

Dicky, the good people point out, was a fine quarterback, and some go on to say that Dicky was the brains of the 1961 football team.

We agree, 101%.

We also point out that Wilmington is a town where everyone turns out to be somebody's cousin - to a surprising degree, as the old timers will readily aver.

The Town Crier, in order to be fair, and not to have to cut out the story about the little five-year old girls' birthday party, has had a cardinal rule, ever since it's inception.

No story about any relatives on the Town Crier staff - it might cut out that birthday party story and that would be a tragedy to the

READING AREA MAKES FINE START FOR 4TH QUARTER HOME BUILDING

Robert E. Stewart, President Mechanics Savings Bank

The Reading area had $294,300 in new home construction in Octobef this year against $281,000 for the same month a year ago. The 10-month totals show $2,841,550 in 1961 compared with $3,218,850 in 1960 at this time as follows: Reading $1,228,800 ($1,085,250 for the first 10 months of 1960, which figures are in parentheses); North Reading $567,300 ($1,197,200) and Wilmington $1,045,450 ($936,400). Additions, alterations and repairs to all types of structures, both residential and commercial, came to $34,100 for the area in October 1961 compared to $67,050 in October 1960 and the 10-month totals show this year behind with $532,080 against $848,045 through October 1960. Total deeds and mortgages in the Reading area to date are: Reading 670 (715 for the comparable period in 1960, in parentheses); North Reading 403 (425) and Wilmington 430 (381). Area total 1503 (1521).

ELKS SCHEDULE HOLIDAY EVENTS

The Tewksbury-Wilmington Lodge of Elks today announced a series of events to take place in the lodge over the next few weeks. On Saturday evening, Dec 16, the Social and Welfare Community Committee will hold its annual Christmas Party for Elks and their ladies at the lodge home starting at 8:30 pm. The party will feature a free buffet supper and dancing to the music of a seven-piece orchestra. Each Elk who attends is asked to bring a gift costing not more than $1, and marked 'His' for Santa Claus to present to the guests. Each lady is asked to bring a gift marked 'Hers'.

On Sunday, Dec. 17, the lodge will conduct its annual Christmas Party for Elks children as well as children of needy families at the Riverview Restaurant starting at 2 pm. The children will be entertained by the music of three bands and by the performance of four vaudeville acts, including Konrad the Klown, who fascinated the children at last year's party. Hot dogs, popcorn, candy, and tonic will be distributed. Santa Claus will be on hand to present gifts to the children.

During the week before Christmas, the Elks will make their traditional visits to the homes of needy families in the area with Christmas baskets and toys for the children. Leading Knight John H. Hart is in charge of this program.

The annual New Year's Eve Party will take place at the lodge home on Sunday evening, December 31, starting at 9 p.m. A smorgasbord consisting of swedish meatballs, lobster, roast beef, and many other assorted delicacies will be served, and a sevenpiece orchestra will again be on hand to provide music for dancing. Hats, favors, and noisemakers will be distributed, and the festivities will again be topped by toasts with free champagne.

GIRL SCOUTS TO CAROL TOMORROW EVENING

About 50 Girl Scouts and Brownies, in seven troops, will sing Christmas Carols for the people of the Old Age Housing Development, Deming Way.

The singing will be in the Recreation Hall, and will start at 6:30 pm. Cocoa is to be served afterwards by the ladies of the Old Age Housing group.

Bill Filed
(fr Fr Pg)

phrases be changed in the bill originally passed for the conducting of the Wilmington sewer system.

Town Manager Cecil Lancaster and the Board of Water Commissioners believe that there are ambiguous phrases in the original act, which should be clarified.

Transportation Act

Tanner filed a bill asking that a Northwestern Suburbs Transportation District be established, embracing the towns of Andover, Wilmington, Reading, Wakefield and the cities of Melrose and Malden.

The legislation would enable the communities to operate a commutation rwilroad outside of the jurisdiction of the State Department of Public Utilities.

The bill for the proposed legislation was filed at the request of the Reading Transportation Committee, similar to the one in Wilmington. Members of the Reading Committee are former Town Counsel Carl H. Amon Jr, Earle O Latham and A. Lloyd David.

Latham told the Reading Chronicle last week that the bill was filed in anticipation of fast moving and drastic action on the part of the federal government which could result in far-reaching changes to the north of Boston in mass rail transportation.

He anticipates that in the near future a proposal will be presented to the Federal Home Finance Agency by the trustees of the Metropolitan Transit Authority to extend the facilities of the MTA to the Reading-Wakefield area.

Latham made it clear to the Chronicle that he and his committee co-workers are not necessarily opposed to the MTA extension plans. He personally believes that the discontinuance of the B&M facilities is inevitable, with a substitution of electrified service.

The purpose of the bill, Latham said, was 'to keep a foot in the door', or rather, to have an alternative plan than that dictated by the MTA authorities, which might not be considered beneficial to the residents who live North of Boston. He referred to the South Shore, where residents now find themselves with MTA service 'in spite of not wanting it'.

'As did they', he said, 'we might wake up some morning to find we were saddled with a plan we do not want'.

JEANNIE'S LETTERS
(continued)

Oct. 26, 1961

Everything is going fine. My ankle is getting stronger. I rode my bike a little today and then skated for about 15 minutes real slow. If my ankle doesn't hurt tomorrow I will ride my bike a little further and skate a little longer.

An unusally warm fall here, and there is no ice at Valadalen, so we have decided to stay here where we can skate every day and still train just as much. Some nice people have advised us to wait here a few more weeks before going to Valadalen.

Anders Woork, who was a top skater and is now skating instructor for the top club in Sweden has been showing us around and giving all kinds of help - books, and a complete year's training program. He is going to talk to the director of the Youth Hostel and ask him if we may stay there and have permission to go in and out during the day, which is not ordinarily permitted. If that doesn't work we will just stay here at the rooming house

The phone just rang and we will be moving to the Youth Hostel on Wednesday. I am soaking my ankle regularly and on Saturday I went to the steam baths. It was real good for my ankle - after I got over being in there with a bunch of other women!

The weather is just as it is at home in the fall - rains quite a bit. We went for a drive in the country, very beautiful, lakes, hills, spruce forests - looks like the hills of New Hampshire. The coast is rocky, water relatively calm. There are no tides - I like it here.

Nov. 2, 1961

--we have a very nice place at the Youth Hostel,-- fully equipped kitchen we can use anytime, rooms with radios, TV writing tables, and a room we can train in. The stadium and skating rink are directly across the street. It will cost 60¢ a night plus our food

I don't think it will be wise to go to that International meet in Poland after the World's. It is a long way, cost a lot and would mean traveling behind the Iron Curtain which I do not wish to do.

Nov. 5

-My ankle feels real good now but it is not completely back to normal. This morning I skated for two hours real hard. Then we went to a park and ran for half an hour, dry skated up a hill and walked a little. That was the first time I had tried to run and it didn't seem to hurt. Then we did a few exercises--

Nov. 8

-- the new 400 meter track opens Friday. We expect to be able to skate everyday before noon and three nights a week, when the regular clubs train. The ice is supposed to be very good and kept in good shape.

LETTER

Dear Larz:

Well, that letter paid off. We have lights on North Street except at a bad curve, and we also got them on Dadant Drive. Tell me, is Dadant Drive accepted, and did we vote for lights on that street?

WANTS TO ESTABLISH PARKING LOT ON BRENTWOOD AVE.

A property owner who owns nearly an acre of land off Brentwood Avenue requested the Planning Board, Tuesday night, to consider changing the zone to Industrial, so that he could establish a commercial parking lot.

He told the Planning Board that he planned to have commercial parking, to get Avco employee's cars off the street

The Planning Board advised him to see the Building Inspector, and added that if he did try to go through with his plans there would have to be a public hearing, one which would, they predicted, bring down all the residents of the area to the town hall.

The girls travel to Bedford on Dec 20, for their first game of the season.

PERSONAL INCOME UP
Robert E. Stewart, President Mechanics Savings Bank

The November issue of the Monthly Review of the Federal Reserve Bank of New York notes that 'Despite a decline in wage and salary disbursements in manufacturing, which could be traced largely to the auto industry strikes, total person al income rose in September at an annual rate of $800 million seasonally adjusted. This increase was about the same as in August (after making allowance for the special life insurance dividend that veterans had received in July. Part of the September advance was attributable to newly effective amendments to the minimum wage and social security laws, which provided increased wages or social security benefits for a substantial number of people and expanded the coverage of both laws. The September gain in personal income pushed third-quarter disposable personal income to almost 4 percent above the figure for the first quarter.

CONGREGATIONALISTS JOIN 'HOUSE -CHURCH' MOVEMENT

Since World War II, with its disillusionments, frustrations, and cultural upheavals, serious minded Christians in Europe, England, Japan, and elsewhere have been driven to examine their faith with a thoroughness which 'Churchianity', or 'Sunday only' religion failed to develope. They have been doing this individually, but more often in a variety of group ways. The church so easilygets to resemble an impersonal corporation, that the personal and intimate warmth of true Christian life and fellowship is kept at a minimum. So, small groups meeting in homes is becoming one of the most productive ways to foster genuine Christian growth, understand ing, and fellowship.

But it is a 'peculiar' fellowship, known only to those who have truly experienced the Church as the 'Body of Christ' It is that 'fellowship' mentioned in Acts 2:42 which reads: 'And they devoted themselves to the apostles' teaching and fellowship, to the breaking of bread and the prayers.' It is that 'fellowship' which Christians mean when they refer to a being 'in Christ.' It is a fellowship only in and by the Holy Spirit. Therefore, the greek work 'KOINONIA', used in the texts cited, is a better word to distinguish it from the good fellowship we have in our various social 'clubs' and associations.

The Congregationalists have two 'Koinonia' groups of married couples meeting every week in homes to study the Bible, discuss the faith of the Church in relation to daily life and its problems and possibilities, and having a deepening sense of the real meaning of 'fellowship' or com munity' or Koinonia. This 'House-church' tactic will find more and more such 'Koinonia groups' starting in the Congregational parish. One group has now met regularly for a year.

The Christmas Party for Nursery and Kindergarten will be held in the Vestry at 3 pm Saturday.

There is to be one Worship Ser ice Sunday, at 10 am at which there will be reception of new members.

Being received into membership are Mr and Mrs Ivan Curtis, Mr and Mrs Herbert D. Nickerson, Mr and Mrs. Louis Howe, Mr. Warren White, Jon Fairfield, Tanya Fairfield, Cynthia Blake and Keith Curtis

At 5 pm Sunday the Church Family Christmas Festival will be in the Sanctuary. This service is for Primary and older children and their families. There is Kinderkirk for the small children. The Worship Service will be followed by a 30 minute film in color, on Christmas Spirit. Refreshments will be served downstairs and there will be carolling at the piano.

Fireside PF will be at 7 pm.

HUMAN RIGHTS WEEK AT HIGH SCHOOL

On Wednesday, Dec. 13, at 11 a.m. the Senior and Junior classes of Wilmington High School heard a stirring address, 'The World is Yours - The Challenge is Now', delivered by the Hon. F. Bradford Morse, Congressman, Fifth Congressional District.

In celebration of Human Rights Week, Dec. 10-17, Mr. Saba of the Social Studies Department invited Mr. Morse, a personal friend of his, to meet with some of the students.

Mr. Morse had many words of high praise for the High School. He complimented Wilmington's physical plant, the warmth and calibre of the students and outstanding character of the student body.

Hosts for the day were: Edward Woods, Pres. of the Senior Class, Richard Allard, Pres. of the Junior Class and John Bowen, Vice Pres. of the Junior Class.

An outstanding showcase exhibit at the High School on 'Human Rights Week' was prepared by: Richard Wood, Richard Falwell, Paul O'Leary, John Winters, Charles Ravagni, John Weed.

BRAD MORSE AT WILMINGTON HIGH SCHOOL

Congressman Brad Morse was a surprise visitor at the High School, Wednesday morning, and spoke to the students on the observance of Human Rights Week.

Host Committee were Eddie Woods, Senior Class Prexy, Dicky Allard, Junior Class President, John Bowen, Junior VP, and Richard Falwell and Richard Wood, of the Social Studies Classes.

Above, a brief conference with Bowen, Woods and Allard on Operation Washington, D. C.

Below, another brief conference with teacher Bob Saba, a friend of many years standing, concerning the subject of the talk. Mr. Saba invited Morse to speak at the school.

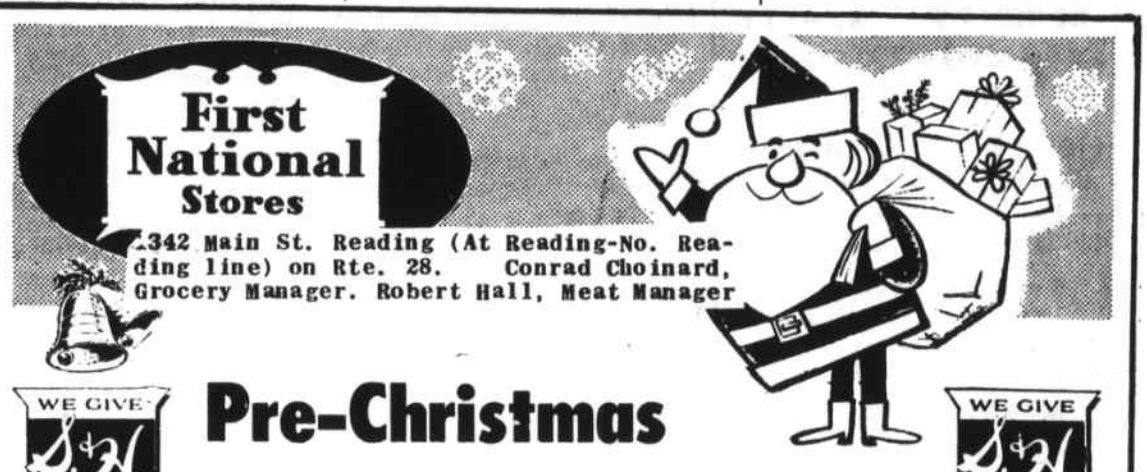

FIRE DEPARTMENT WILL SPRAY CHRISTMAS TREES

Acting Fire Chief Harold F. Cail has announced that the Wilmington Fire Department will spray Christmas Trees with a fire-retardent chemical

The service will be performed by the Firemen from 9 am to 9pm., at the Fire Department Building on Church Street.

There will be a nominal 25¢ charge for each tree.

All trees to be used in public buildings must be sprayed before being erected, and the Fire Department hopes that home owners of Wilmington will avail themselves of the service, as a precautionary measure.

ALDERWOOD ESTATES DEVELOPMENT APPROVED

LARGEST DEVELOPMENT IN YEARS

The Wilmington Planning Board, Tuesday night approved of the plan for a real estate development between Woburn and West Streets, known as the Alderwood Estates.

Part of the old historical Eames Farm, of Wilmington, it is part of the 50 acres which the developer, Edsel Tocci of Watertown purchased several years ago from Mrs Nina Fay.

A road will connect Woburn St. from near Federal Street to a point off West Street where a water easement crosses the former Fay property.

The right of way for the easement will be converted into a street, according to the plan submitted to the Planning Board, and three other streets will be built off the main one leading up the hill behind the old Eames homestead.

The plans as submitted and approved show that a considerable amount of fill will have to be used in some areas of the development, up to six feet on some of the lots.

Drainage problems were all engineered before the submission.

A letter accompanying the approval, from the Wilmington Board of Health, restricts any building on any lot until it has been individually approved by the Health Board.

A total of 66 lots of land are involved in the portion approved Tuesday night, each lot being 22,500 square feet or larger in size. The development is the largest ever approved since the new zoning by law was accepted by the town in 1955.

Tocci told the Planning Board that he plans to develop the property on a moderate scale, at a rate of about one dozen homes a year.

THE BALDWIN CIVIC PROGRESS AWARDS

There were 231 residents and former residents of Wilmington at the Avco dining room, last Friday, for the first annual Baldwin Civic Awards.

Chosen for the awards were the late Herbert C. Barrows, Mrs Esther Nichols, and Philip B. Buzzell, Esq.

Mr. Barrow's award was received by his daughter, Mrs. Howard Woolaver.

Chairman of the evening was Frank M Lean of Salem Street, Chairman of the Baldwin Civic Association, Inc, and the evening speaker was the Hon Elliot Richardson, former US Attorney for Massachusetts.

Only out of town guests were recognized from the chair, among them being Mr and Mrs George Kambour, (former Principal of Wilmington High School, former Town Manager Fred Calabrese and Representative Frank Tanner, of Reading.

Not present was the Town Manager, nor former Town Manager Dean C. Cushing, who was ill.

History of the Baldwin Civic Association

As read by Walter L Hale Jr.

On Sunday, May 4, 1947, a group of interested citizens met in the South School with the idea of organizing a civic group to better the conditions in the south part of the town.

Millard Pipes acted as temporary chairman, asked for a discussion on the idea of organization. Mr Irving Appleby took the floor and talked on the advantages of organization He was well received and the Chairman then asked for a motion to form an organization. This motion was made, seconded and approved'.

Then came the thought 'What shall we call this group?' Should it be the South Wilmington Betterment - South Wilmington Improvement, or what? Again I quote the minutes of the meeting 'After some discussion it was agreed to name the organization the Baldwin Civic Club because of its location near the monument of the famed Baldwin Apple.

It was agreed that the members should come from the south section of the town only.

At the next meeting, June 8, 1947, election of officers took place. The following were elected: Chairman, Millard Pipes; Vice Chairman, Harry Woods; Clerk, Thomas Galvin; Treasurer, Chester Hinxman; Fin. Secretary, Francis Merrill; Board of Directors, Irving Appleby, Carl Backman, Guilio Motroni, Walter L Hale Jr., George Richardson, Arthur Speare, Robert Janes.

This was the beginning of the Baldwin Civic Association Inc.

On June 21 the first strawberry festival of the club was held on the lawn opposite the South School, and as I remember it, the mosquitoes ate more people than the people did strawberries. Thereafter the Strawberry Festivals have been held indoors. These gatherings have been held every year since that time, and have become more or less a tradition with the club. Many people look forward to them each year

The club has entertained many speakers at their meetings; but the first speaker we had was the then Chairman of the Board of Selectmen, James Gilligan.

Since then there have been many speakers presenting many subjects; subjects which give a civic minded group much food for thought.

It is said that the Baldwin Civic Association is noted for giving its speakers a hard time, especially speakers on political subjects. In a way that is not so. We are merely looking for the facts and we usually get them.

It was on February 3, 1948, that the club was incorporated with twenty charter members.

On Dec. 7, 1948 the By-Laws were revised and membership was opened to include the entire Town of Wilmington.

On June 1, 1948, the Town Manager form of government was brought before the organization by Irving Appleby. He had an idea to sell and he sold it to the Baldwin Civic Association.

I now quote from the minutes of June 1, 1948. 'It was the concensus of opinion that more should be done to introduce this form of Govt. to all people of the Town'.

After many months of hard work, and after innumerable meetings and speeches and much opposition, a great deal coming from the Town Officials themselves, the Baldwin Civic Association sold the idea to the Town and the new form of government was established.

Twice since its inception the Town Manager form of government has been threatened with extinction, and twice the Baldwin Civic Association has jumped into the fight and saved it, the last time by a majority of 2 to 1.

As I look back through the records of the club I find we have had a finger in about every pie in town. I find references to the new High School, the Fire and Police Stations, the reassessment program and various other subjects.

No, we do not take credit for all these accomplishments, but we have taken an active part in just about all the activities in Town and we hope to continue to do so.

We believe in giving credit where credit is due, - that is our reason for having this program tonite.

We are not a large organization, numerically, but we are a group who likes to fight for what we believe.

You don't hear much about the original members of the club, but we are still in the background lending a hand when we are needed. We believe in young blood and new ideas.

As I look back through the last several years, I find that the Town of Wilmington is a much better place in which to live, due largely to the efforts of the Baldwin Civic Association.

WELCOMING THE GUESTS
Robert McLeod, Public Relations Official of Avco, welcoming the guests in behalf of his company.

Citation of Award To Herbert C. Barrows

Read by Joseph F. Courtney

With this award we honor the memory of a remarkable man and a devoted public servant.

When Herbert C. Barrows passed away a few weeks ago, the Town of Wilmington lost a citizen who had become a legend in his own lifetime.

Few have contributed as generously of their time and talent to their community. Since 1907, Mr. Barrows continuously served the Town of Wilmington in public office as a Selectman, as a member and as Chairman, of the Finance Committee. For over sixty years he participated in every Town Meeting, regular and special.

He was the acknowledged con-

BALDWIN AWARDS

(From preceding page)

science and guide of the public affairs of Wilmington during its period of greatest change and of greatest challenge.

His lifetime indeed exemplified the spirit of the oath of citizenship from History's first democracy 2400 years ago--the ancient republic of Athens:

We will never bring disgrace to this our city, by any act of dishonesty or cowardice; we will fight for the ideals and sacred things of the city, both alone and with many; we will revere and obey the city's laws and do our best to incite a like respect in those above us who are prone to annul or set theme at naught; we will strive unceasingly to quicken the public's sense of civic duty. Thus in all these ways we will transmit this city not only not less, but greater and more beautiful than it was transmitted to us.

These words from across the ages are indeed an appropriate testimonial to a citizen of this century whom they so accurately describe.

The Baldwin Civic Association is proud that Herbert C. Barrows was selected to receive the first Wilmington Civic Progress Award.

Tribute to Philip Buzzell

Read by Roland Wood

In attempting to evaluate the attributes of such a person as Philip Buzzell, it appears that a good starting point would be to delve into facts which are a matter of public record. Mr Buzzell attended Yale University where he received his Bachelor of Arts degree. This was subsequently followed by his receipt of Bachelor of Laws degree from Yale University Law School. In 1916 Mr Buzzell was admitted to the bar and began his long and successful career as a lawyer.

If one was to make reference to a national publication, dedicated to the evaluation of lawyers throughout the country one would soon determine that as a senior partner in the law firm of Hemenway & Barnes of Boston, he has been classified as an outstanding attorney. Clearly, his reputation as an attorney is so well established and recognized that no further comment is necessary.

Relative to his service to his community, here again we search the public records and bring forth the conclusion that the same dedication that he applies to his selected profession may be found in his unselfish, and generally speaking, unrewarded service to his community.

Mr. Buzzell's public service record goes back to the year of 1924 when he was elected a Trustee of Trust Funds. This position of trust he retains to this date. We then find that beginning in the year 1929, he undertook the task of legal advisor to the town, becoming its town counsel. I need not remind you people, this post is presently now held by him. In the year of 1931 we find him assuming the task of serving as a Trustee of the Town Library. Again, a post which he still serves to this date.

Also in the year 1931 Mr Buzzell was elected to the office of Moderator of our beloved system of town meeting government. This office was held by Mr Buzzell until the year 1950 Throughout these many years and many tasks, here again the record speaks for itself, reflecting years of dedication and service which could easily be the basis of a historical background of the town's growth

While it is a simple task to set forth the facts as reflected in the public records, the more difficult task relates to the evaluation of Mr Buzzell as an individual setting forth his personality traits and makeup.

I suspect that a good part of the population have never had the opportunity to personally know this individual who has performed so diligently throughout these many years.

However, to those of you who have had this rare favor bestowed upon them, it is clear that you may have discovered one outstanding attribute, which stands out above all others, namely his honest and sincere dedication to the daily practice and maintenance of a high moral and ethical relationship with his fellow man. Truly, if one was to toss titles around in an attempt to label him, without question, he would be called: Mr Integrity.

In my personal discussions with him relative to the legal profession he has reflected the same degree of interest and enthusiasm for the basic principals as you would find in a young graduate of a law school. This, despite forty five years of practice.

Whereas you, Philip Buzzell, successful and accomplished member of the legal profession, dedicated servant of the people of Wilmington, and one who is beloved by his fellow townsmen, the Baldwin Civic Association is proud to present to you, one of its first

CAR CATAPULTS 100 FEET AFTER MAIN STREET ACCIDENT

A 1958 Thunderbird, driven by Richard Corrigan, 21 Hillcroft Park, Medford, skidded and slid over 100 feet, in an accident near Patsy's Farm, on Main Street, Monday evening.

The car finally came to rest 20 feet in from Main Street, facing the street, and over a septic tank in the yard of Stanley Webber. The driver, taken to St. John's Hospital in Lowell, suffered only minor injuries.

Willard Dodge, 5 Salem St. Woburn, the driver of the second car, is still in the St. John's Hospital suffering from a broken leg and other possible injuries. His car, a 1952 Chevrolet, struck a pole on the east side of Main St. after the collision.

Corrigan, according to the Wilmington Police, told them that a truck cut in front of his car, and he swerved to avoid hitting it.

MIDDLESEX TUBERCULOSIS & HEALTH ASS'N OFFERS PROGRAM BLANKS FOR HOLIDAYS

Clubs and organizations in Wilmington this week will have an opportunity to receive at no charge blank programs which they may use during their holiday programs.

Mrs Henry G. Hartwell of Butters Row, community chairman for Wilmington has received a supply of the programs from the Middlesex TB Christmas Seal Association. The programs when folded measure 5½ inches wide by 8½ inches deep.

The front of the program shows a replica of the 1961 Christmas Seal in two colors; the designs are artfully arranged to be pleasing to the eye and to provide maximum program space.

Inside the two facing pages are completely blank and could be used to list holiday activities or dinner menus. As Mrs Hartwell has a limited number of programs available, program commitments must be made on a first come first served basis.

awards, for your many years of service to your community. Your record and performance clearly speaks for itself. It is now our opportunity to speak in behalf of the Town, whom you have been gracious enough to give of yourself in time and service.

Tribute to Esther Nichols

Read by E. Hayward Bliss

In 1919 the Town of Wilmington hired a public health nurse. She arrived in adolescent enthusiasm to enter a pioneer field and immediately spread her talents and energy in five directions; namely, household bedside, tuberculosis infant care, child welfare and school nursing. But this was not to last, and after 14 months Wilmington lost her to her husband.

In 1922 this young lady and her husband returned to make their home in his native town and she immediately became the school nurse. In this activity she stayed with ever-mounting responsibility, from a student enrollment of less than 800 to an exploded enrollment of 2300 38 years later. Rules and regulations have now stripped her of her title, but not of her interest and her heart.

In 1941 she set up a tuberculosis register and voluntarily conducted an evening clinic, and with the blessing of the town officials has maintained a tuberculosis committee which furnishes periodic X-ray service to the public.

In 1950 she became the President of the Middlesex County Tuberculosis & Health Association, in which society she still is a very active director.

In 1919 she caused a Travelling Farm Bureau Service to give dental service to the children of Wilmington.

In 1949 the Wilmington Rotary Club sponsored the present Dental Clinic. Who was the professional spark plug that made and kept this going? Our same young lady.

We could go on and on, but she has not the time to stand here idle, but must continue her pursuits way beyond the call of duty, as she always has, in service to individuals, families and groups down through the years, giving unstintingly of her talents, energy, smile, time and money, that her fellow citizens would have a better moment, better day, better life, and take their rightful place in our society.

These acts cannot be memorialized in public, but many people - yes, some in this room, are living silent symbols of her selfless love for humanity.

This was and is Esther Helen Nichols.

Former Chairman Dick Keane, of the Baldwin Civic Association reads the resolution of the club establishing the Civic Awards. To his left is Elliot Richardson, speaker of the evening, and Mrs Richardson.

Wording of Award
To Esther Nichols

WHEREAS, in the words of an ancient pledge of citizenship, it is the responsibility of each generation of citizens to transmit its community to future generations not less, but greater and more beautiful than it was transmitted to them, and

WHEREAS, our traditions of self government are predicated upon the services and contributions and personal responsibility of each free citizen; and

WHEREAS, recognition ought to be given to individual citizens whose services have advanced the public welfare and contributed to the improvement of the Town of Wilmington, and

WHEREAS, Esther Nichols, by many acts as briefly enumerated above, and by the mere fact of being Esther, has won the admiration and the vote of the citizens of Wilmington through the public poll of 1961.

THEREFORE BE IT KNOWN, that the Baldwin Civic Association is this year of 1961, hereby awards to Esther H. Nichols its Civic Progress Award.
